Guiltner-Steele Tire Sponsoring Give-Away for MSCC Students at Greyhound Games

Guiltner-Steele Tire Center of West Memphis will give away a set of tires to a lucky Mid-South Community College student who attends Greyhound basketball games.

“Greyhound basketball is fun to watch, and we believe this extra incentive will help us make more students aware of the quality of competition that can be seen in West Memphis and Marion,” said store owner Marvin Steele, who is also a member of the MSCC Board of Trustees. “We want the teams that visit Crittenden County to know when they walk in the gym that we actively and vocally support our Greyhounds.”

“Having a teammate like Guiltner-Steele Tire is great for Mid-South Community College and great for our students,” said Jason Carmichael, MSCC Athletic Director. “We appreciate their support of our athletic program, and this contribution certainly gives us another way to encourage our students to watch real college basketball close to home.”

The more games a student attends, the better his or her chances are to win the tires. MSCC students are admitted free to all Greyhound games with their college ID cards, and they will receive a two-piece ticket that they can use to register for the end-of-the-season drawing.

During the Greyhounds’ Feb. 11 season finale, all of the tickets will be placed in a container, and the winner will be drawn at random.

Mid-South will have home games on Nov. 19, Nov. 29, Dec. 2, Jan. 6, Jan. 17, and Feb. 10 at Patriot Arena in Marion, and Jan. 7, Feb. 4, and Feb. 11 at Lehr Arena in West Memphis.

This Saturday, the Greyhounds will host Blessed Hope Baptist College in a 2 p.m. game at Patriot Arena in Marion, and the Lady Greyhounds will play Connors State College at 4.
